

Ultralight Beam Verse

by Chance The Rapper

Foot on the Devil's neck 'til it drifted Pangaea
I'm moving all my family from Chatham to Zambia
Treat the demons just like Pam
I mean I like your friends, but damn, Gina
I been this way since Arthur was anteater
Now they wanna hit me with the woo wap, the bam
Tryna snap photos of familia
My daughter look just like Sia, you can't see her
