Machinations Calcite

Clark Coolidge

acetone imprinted

oblique swatch on the skin car barn oil wall

ocarina & mumps

much wet green

I'd leave sole key to this game to my friend, shee water car

actor impressed

weaving candle turn on computer cigarette, paper wall

tarheels & balance

a lot of yellow stick sock

He'll have to hurry & carry away, to my blue friend hustling bringing

his moon & car

agate inked

merry melodies drool on shank of wet lead star tool

crayon & sands

length of granite buck - drill

It's sucking up the strand, his crystal flag, & the eels tube for that

their parade swizzle fun

arctic sure

splinter dry - ice spazz truck - ing ace supper at church

hard pinks & sponge breath

many for arms drift

Roller window going up on I repeat my offer food list in iron flakes
